This announcement is made by Guangdong Tannery Limited (the "Company", together with its subsidiaries shall be referred to as the "Group") pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "Listing Rules").

The board of directors (the "Board") of the Company wishes to inform the shareholders of the Company and potential investors that, based on the Company's preliminary review of the consolidated management accounts of the Group, which have not yet been audited by the Company's auditors, the annual results of the Group for the year ended 31 December 2010 is expected to decline significantly as compared with the same period in 2009. Such decrease was primarily attributable to a significant decrease in gross profit margin of the Group's products brought about by a substantial increase in the cost of raw materials, the effect of which decrease is particularly marked during the two months of November and December 2010. The consolidated profit attributable to shareholders of the Company for 2010 will therefore decrease as compared to that for 2009.

The Company is still in the process of finalising the consolidated results of the Group for the year ended 31 December 2010. The information contained in this announcement is only based on the Company's preliminary review of the consolidated management accounts of the Group for the year ended 31 December 2010, which have not been audited by the Company's auditors. The audited results of the Group for the year ended 31 December 2010 will be announced in March 2011.

**Shareholders of the Company and potential investors are advised to exercise caution when dealing in the shares of the Company.**
